

### REMARKS

The claims have been amended for better conformity with U.S. practice, to reduce the overall number of claims and to remove multiple dependencies. The specification has been amended to incorporate a reference to the original international application, and to substitute references to the claim numbers with the text from the originally filed claims. Some grammatical changes have been introduced in the specification, but no new matter has been added.

Applicant's undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.

Respectfully submitted,

  
Raymond R. Mandra  
Attorney for Applicant
